WNTC Staff Conducts Survey

Last week the WNTC publicity staff presented a listener's survey to the students of both colleges through the respective English departments. The purpose of this survey is to evaluate the popularity of the programs now offered and to find out what programs students would like to hear that are not offered yet. This will also be used to improve the quality of the programs.

Three new officers have been elected to the WNTC executive board. Joan Kirnie is now assistant station manager; Alice Jayne, secretary; and Laura Lumley, record librarian.

There will be a regional conference of the Intercollegiate Broadcasting System at Schenectady on Oct. 31 or Nov. 7.
